We are one of the leading manufacturer, exporter, wholesaler, trader of durable range of commercial kitchen systems. Along with this we also provide special purpose stainless steel fabrication services for equipment required in the catering sector.

## About Us

Established in the year **1998**, **Bharti Refrigeration Works** is involved in manufacturing and supplying **Kitchen And Refrigeration Systems** products. Our product range includes **Cold Equipments, Bakery Equipments, Imported Kitchen Equipments, Kitchen Trolley, Chapati Making Machine and many more**. Our range is appreciated for its high-end features such as high performance, easy installation & usage and attractive looks. Our company also offers customization and packaging of the products as per client's requirements.

Additionally we offer cooking equipment, service equipment, washing equipment, exhaust & fresh air, scrub, bakery equipment and trolleys. We have launched a new brand of "Complete Commercial Kitchen Systems" named kitchen concepts. With the help of perpetual investment in technological up-gradation, product innovation and quality control methods, we have carved a reputation for our products in the national, as well as international market. We are a young dynamic company and our directors and staff have several years of experience in the industry. Our team has expertise in the supply, maintenance and installation of commercial kitchen systems along with practical kitchen management. This has enabled us to advise our customers on their specific requirements.

Under the guidance of **Mr. Santosh Kumar Bharti (Director)**, we aim to offer our customers right equipment to suit their menu and client...
